Hey Guys,

I spoke with Mary Morissette of KEMC today in regards to ownership of the Humboldt Pit. She said that KEMC has acquired the pit, and that she submitted a Transfer of Coverage form to Lansing to transfer the Industrial Storm Water permit from Callahan to KEMC awhile ago. I checked NMS and it does not show it being processed yet; however, I am aware that there is a backlog in the storm water permits section.

Thanks.

Linds
